Case No. DR-23-CV-15-AM

**ORDER**

On this date, the Court, *sua sponte*, considers this case. Dismissal of the Plaintiffs' claims against the Defendants, may be appropriate because the Plaintiffs have failed to comply with the time limits for service. "If a defendant is not served within 90 days after the complaint is filed, the court—on motion or on its own after notice to the plaintiff—must dismiss the action without prejudice against that defendant or order that service be made within a specified time." FED. R. CIV. P. 4(m). Nothing in the record indicates that the Plaintiffs have served any of the Defendants still involved in this case.

It is hereby **ORDERED** that, within fourteen (14) days of the date of this order, the Plaintiffs shall show cause why they have failed to serve all of the Defendants named in the case.

SIGNED and ENTERED on this 19th day of May 2023.

Chief United States District Judge
